Sum	91 339 491	220

Note:

The data is valid to the last day of the calendar month and may vary according to the version of the settlement of imbalances. The point of delivery and transfer registered in the OTE's system in case of the first change of supplier. Number of changes of supplier reflects the total number of delivery points, on which change of supplier occurred. More Information is available on <http://www.ote-cr.cz>
