I.

Statement of the Subject of Settlement

- a) The Subject of Settlement hereby declares that the organizational unit referred to in Article 1 of this Agreement is not a business establishment pursuant to the Value Added Tax Act, as amended. Furthermore, the Subject of Settlement hereby declares that it has no other representation in the territory of the Czech Republic that may be deemed a business establishment and that no supply provided by the Operator is intended for the organizational unit or any other representation of the Subject of Settlement in the Czech Republic.
- b) The Subject of Settlement hereby undertakes to notify the Market Operator without undue delay, but no later than within 10 days, about any change in the line of business of the organizational unit that would result in setting up a business establishment and, furthermore, in the event any other establishment arises for

Should such event occur, relevant information must be provided in writing without undue delay, but no later than within 10 days following the date of setting up a business establishment of the Subject of Settlement in the Czech Republic.

- c) The Subject of Settlement hereby undertakes that in the event the relevant tax administration authorities deem its organizational unit or other representation in the Czech Republic a business establishment for purposes of value added tax and, as a result, the Market Operator is required to pay additional tax and/or the tax administrator levies sanction or tax attribution thereof pursuant to relevant legal regulations, such as fines and penalties, tax increase, or late payment interest, due to erroneous value-added tax declaration, the Subject of Settlement shall fully refund all such assessed and additionally assessed tax payments and reasonable expenses of the Market Operator arising from administrative proceedings related to the assessment and additional assessment, with the exception of the expenses arising from proceedings whereby the tax administrator has ordered the Market Operator to pay these expenses due to inactivity or breach of legal obligations by the Market Operator pursuant to Section 30 (7) of Act No. 337/1992 Coll., on Administration of Taxes and Fees.

In the event the decision hereof is cancelled or mitigated and the additionally assessed or levied payment in full or partially returned to the Market Operator or set off against another tax obligation the refund of which is not within the scope of the Subject of Settlement's obligations under the foregoing Article, the Market Operator is obligated to reimburse the Subject of Settlement the corresponding amount reduced by reasonable expenses incurred to exercise remedial measures that resulted in cancellation or mitigation of the relevant decision.

- b) Furthermore, the Market Operator hereby undertakes that in the event it does not exercise any statutory remedies or in the event the decision on additional tax assessment due to the erroneous value added tax declaration will not be cancelled or mitigated as a result of exercising the statutory remedial actions, the Market Operator shall amend the tax documents pursuant to the Value Added Tax Act for the supplies executed by the Market Operator under this Agreement to the Subject of Settlement on which the tax administrator levied additional tax due to the erroneous value added tax declaration.
- c) In the event the tax administration authorities deem the organization unit or other representation of the Subject of Settlement in the Czech Republic a business establishment for purposes of value added tax and, as a result, the Subject of Settlement is subject to additional value added tax assessment for the supplies executed by the Subject of Settlement under this Agreement on Settlement of Imbalances to the Market Operator, the Market Operator hereby undertakes to refund the additionally assessed tax to the Subject of Settlement based on the amended tax documents issued by the Subject of Settlement pursuant to the Value Added Tax Act and delivered to the Market Operator together with documents on additional tax assessment by the tax administrator.

All other provisions of the Agreement shall remain unaffected.
- i) This Agreement has been executed in two counterparts of which each Party receives one original copy.
